BUILDING OUR FUTURE

# North Richmond intersection improvements

Roads and Maritime Services | October 2018

The Australian and NSW governments are improving traffic conditions at key intersections on approach to Richmond Bridge.

Roads and Maritime Services is delivering this project which involves improving the intersection of Bells Line of Road/Terrace Road and Grose Vale Road, North Richmond.

The project will improve:

- travel times between Richmond and North Richmond
- eastbound and westbound traffic flow between Grose Vale Road and East Market Street during peak periods
- road safety for all users.

## Project progress and next stage

Recent work completed on the project includes:

- relocating Telstra and Optus services
- relocating power and street lights
- demolishing the existing median
- drainage work along Bells Line of Road and the service road.

The next stage of work includes:

- relocating electrical utilities
- new road markings to allow widening of Grose Vale Road and Bells Line of Road
- installing new traffic lights
- replacing stormwater pipes along Bells Line of Road, Terrace Road and Grose Vale Road
- concrete works including kerb and gutters, footpaths and driveways.

## Our work schedule

We will be back on site working day and night to complete the next stage of work between **Saturday 6 October** and **Friday 21 December**, weather permitting.

Our night work hours will be between **7pm** and **7am** from **Sunday** to **Friday**. Our day work hours will be between **7am** and **7pm** from **Monday** to **Friday** and between **8am** and **1pm** on **Saturday**.

The project team will not be on site at all times because of the way we are staging the program of work.

## How will the work affect you?

Our work may be noisy at times but we will continue to do everything we can to minimise its impact, including completing the noisier tasks by **midnight** and staging them in different locations.

## Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures will be in place and may affect travel times. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

Please keep to the speed limits and follow signs and traffic controllers' directions.

## Thank you

Thank you for your patience during this important work.

## Contact us

If you have any questions or would like more information about the project, please contact our delivery partner, DM Roads, on:
