Maintenance closure and detour arrangements at the Hawkesbury River Interchange from Sunday 31 March

Roads and Maritime Services is carrying out essential maintenance work on the rest areas and ramps at the Hawkesbury River Interchange.

Roads and Maritime Services will carry out the work, which includes resurfacing both the northbound and southbound rest areas and ramps to ensure the rest areas are kept in optimal condition.

To ensure the safety of motorists and workers, the rest areas and ramps will be closed at night while the work is being carried out.

Traffic changes

**Northbound rest area and ramps**
- The northbound rest area and exit ramp will be closed on **Sunday 31 March** between **9pm and 5am**
- A detour will be in place for northbound motorists wanting to exit the M1 Pacific Motorway at Hawkesbury River via the Old Pacific Highway, as shown in the included map
- The detour is expected to add around two kilometres to the journey, which is about six minutes travel time
- While the work is expected to be completed in one shift, closures may also be required on Monday 1 April for wet weather contingency.

**Southbound rest areas and ramps**
- The southbound rest area and ramps will be closed from **Monday 1 April** to **Thursday 4 April** and again on **Monday 8 April** between **9pm and 4am**
- A detour will be in place for southbound motorists wanting to exit the M1 Pacific Motorway at Hawkesbury River via the Old Pacific Highway, as shown in the included map
- The detour is expected to add around four kilometres to the journey, which is about six minutes travel time
- While the work is expected to be completed in five shifts, closures may also be required from Tuesday 9 April to Wednesday 10 April for wet weather contingency.

During the rest area closures, heavy vehicles may consider stopping at the service centres at Warnervale, or the heavy vehicle truck stop facility at Berowra Interchange.

Electronic message signs will be in place to give advance notice of changed traffic conditions and help motorists plan their journeys. The detour route will be clearly signposted during the closure.

No work will be carried out on the detour route during the closure to help minimise further impacts to journey times.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
